

INSANITY

Sin is insanity; pure madness!

It is insane to choose mortality over immortality.

It is insane to hold on to short earthly life and forfeit eternal, unending life.

It is insane to choose this terrestrial plane where moth and rust corrupt and thieves break in and reject the celestial plane where moth and rust do not exist and thieves cannot break in.

It is insane to prefer temporary pleasure to permanent bliss.

It is insane to reject Jesus Christ and serve sin and Satan.

It is insane to prefer hell to heaven!
