JUST ONE LITTLE LIE

Carol was on the bed with her husband on that fateful Saturday morning, when her phone rang, it was her twin sister calling. Simultaneously, the door bell rang, David her husband went for the door, while she received her call.

"Carol, please do me a favor, my husband will call you soon, tell him we were out together all day yesterday. Tell him, we went shopping, and got back late around 11:45pm". Christy rushed her words "But that is a lie, and I don't tell lies! "Carol answered. "Please, Carol, just this one little lie, save my life, and I promise after this I will stop my promiscuity. She pleaded as she dropped the call...

Meanwhile, downstairs, David was been interrogated by some police officers, who found his ID card at a crime scene yester-night. David told them he had nothing to do with the crime as he was at home, last night from around 6pm with his wife. He told them to let him call his wife, as she was a witness. He shouted Carol's name and told her to come downstairs.

Carol was on her way down, when Christy's husband called. "Hello Emma, Good morning, happy weekend... Fine... What? ...Your wife? Yes, we were together yesterday till late at night... I even got home around 11:45pm... ok... No problem" At this point, David rose up in shock and fear, as the officials were looking at him like they have nailed him...

"Carol!!!... What sort of lie did you just tell, we were both at home..." The officers cut in: "Mr David, don't put words in her mouth, you have been telling us lies, we have your wife's voice on record, definitely you were at the crime scene and you killed Miss Kate after you raped her" He brought out the handcuff

"What"? Carol shouted. Before Carol could fully grasp what happened and explained what truly happened, her husband was behind bars. Carol asked Christy to speak up which she did, but the case was against them, because of just ONE LITTLE LIE that had been recorded.

David was sentenced to life imprisonment and he spent 30 years before the real culprit was found, it was his cousin who had stolen his wallet. The victim had struggled with the rapist, it was then the wallet fell. The cousin picked it up, but the ID card had fallen. JUST ONE LIE tampered with a man's destiny. Be careful of every word that proceeds out of your mouth. Be careful of that ONE LITTLE LIE!

Hymn 2

I MUST TELL JESUS

1. I must tell Jesus all of my trials
I cannot bear these burdens alone;
In my distress He kindly will help me;
He ever loves and cares for His own.

CHORUS:

***I must tell Jesus! I must tell Jesus!
I cannot bear my burdens alone;
I must tell Jesus! I must tell Jesus!
Jesus can help me, Jesus alone.***

2. I must tell Jesus all of my troubles;
He is a kind, compassionate friend;
If I but ask Him, He will deliver,
Make of my troubles quickly an end.

3. Tempted and tried, I need a great Saviour,
One who can help my burdens to bear,
I must tell Jesus, I must tell Jesus;
He all my cares and sorrows will share.

4. O how the word to evil allures me!
O how my heart is tempted to sin!
I must tell Jesus, and He will help me
Over the world the vict'ry to win
