GOD WANTS OUR FRIENDSHIP

Have you ever wondered why God created us? I think that God wants friendship. I do not mean that God is lonely and therefore needs our friendship. No, God - out of the abundance of divine relational life, does not need us but desires humans and brought us into existence for the sake of friendship.

This may sound strange because it runs contrary to much of the teachings about God. Mind you, we have been seeing prayer as a personal relationship for many years, maintaining that God wants such a relationship with us, we can then use this analogy of a personal relationship between two people to describe developing relationship between God and us. But the notion that God wants our friendship does not readily sink. Whenever it rears its head we usually shrug it off as a fancy idea not to be taken seriously.

But over the years, as our relationship with God deepens and we listen to others talk about relationship with God, we become convinced that the best analogy for the relationship God wants with us is friendship. The more we use this kind of language, the more we find that it resonates with others. Hope you find such similar resonance and will trust your experience more fully. Nothing else should please us more than to know that we, and many others, have come to find friendship and fulfilment in God. God also is pleased to be our Friend.

Jesus is Lord!

Hymn 1

WE'RE MARCHING TO ZION

1. Come, we that love the Lord,
And let our joys be known;
Join in a song with sweet accord (repeat)
And thus surround the throne (repeat)

CHORUS:

*We're marching to Zion, beautiful,
beautiful Zion.
We're marching upward to Zion,
The beautiful City of God*

2. Let those refuse to sing
Who never knew our God;
But children of the heavenly King (repeat)
May speak their joys abroad (repeat)

3. The hill of Zion yields
A thousand sacred sweets;
Before we reach the heavenly fields (repeat)
Or walk the golden streets (repeat)

4. Then let our songs abound
And every tear be dry;
We're marching through
Immanuel's ground (repeat)
To fairer worlds on high (repeat)

Life Pasture

"A man that hath friends must shew himself friendly: and there is a Friend that sticketh closer than a brother." - Proverbs 18: 24; "Surely the Lord GOD will do nothing, but He revealeth His secret unto His servants the prophets." - Amos 3: 7 "Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God." - James 4: 4

Happy New Month!

Hymn 2

ALAS AND DID MY SAVIOUR BLEED

1. Alas and did my Savior bleed
And did my Savior die?
Would He devote that sacred head
For sinners such as I?

CHORUS:

**At the cross, at the cross
Where I first saw the light
And the burden of my heart rolled away
It was there by faith I received my sight
And now I am happy all the day**

2. Was it for crimes that I had done
He groaned upon the tree?
Amazing pity grace unknown
And love beyond degree!

3. Well might the sun in darkness hide
And shut His glories in
When Christ the mighty Maker
Died for man the creature's sin

4. But drops of grief can ne'er repay
The depth of love I owe
Here, Lord, I give myself away
'Tis all that I can do
