FRIENDSHIP

Friendship is one of the many blessings God has given each one of us. I am so grateful for the lasting friendships I have cultivated through the years. True friendship is a sacred commodity. This is a relationship that is to be cherished and revered for a lifetime. We've experienced friendships that have come and gone because of misunderstandings, differences in lifestyles, spiritual or personal growth. For whatever reasons, they have left a permanent mark on our hearts of what true friendship really is.

Self-acceptance - Our elite, and not so elite society would have you believe that it is about who you know or who you are connected to. There is nothing wrong with having well-known friends or being in the circle of connected people. However, it becomes a problem when your self-worth is based on whom you know.

Be yourself - Love yourself! Wherever you think you aren't in life yet should never be an indication of where you are headed. Accept your shortcomings, mistakes; accept that some people won't like you and there are some you don't need to be connected to anyway. You can receive all the accolades, but until you accept and love yourself, they are only a clanging cymbal.

The Key - The key is quality not quantity. Networking is one of the hottest concepts in building relationships in the professional and entrepreneurial world. We are taught to meet and connect with as many individuals as we can. Whether it is to find a new career or job, build your business or build future relationships down the road.

Sometimes we get sucked into a lot of drama and no substance. Then we scratch our heads trying to figure out how we got ourselves into the situation in the first place. You will later realize that sometimes less is more. For me, a quality relationship whether it is personal or professional is one based on character, and excellence. Not perfection, but one of value without distraction.

Best Friend - There is joy in being your own best friend. A true friend is someone who accepts you as you are, feels those fears and anxieties with you, and sees your limitations. A true friend will celebrate you, cry with you, and reason with you for your own good. I can truly say that I have a small, yet valuable set of friends who have helped me to be the best I can be. However, I am learning to be my own best friend too. Just being me.

Jesus is Lord!

Hymn 1

SING THEM OVER AGAIN

1. Sing them over again to me
Wonderful words of life
Let me more of Thy beauty see
Wonderful words of life
Words of life and beauty
Teach me faith and duty

CHORUS:

Beautiful words, wonderful words)
Wonderful words of life)x2ce

2. Christ the blessed One gives to all
Wonderful words of life
Sinner, list to the loving call
Wonderful words of life
All so freely given
Wooing us to heaven

3. Sweetly echo the gospel call
Wonderful words of life
Offer pardon and peace to all
Wonderful words of life
Jesus, only Savior
Sanctify forever

Life Lessons

"To have a friendship with God, all I really have to do is have a friendship with my Self." - Neale Donald Walsch
"Blessed are they who have the gift of making friends, for it is one of God's best gifts. It involves many things, but above all, the power of going out of one's self, and appreciating whatever is noble and loving in another." - Thomas Hughes

Jesus Is Our Lifeline

Hymn 2

MARVELOUS GRACE

1. Marvelous grace of our loving Lord
Grace that exceeds our sin and our guilt
Yonder on Calvary's mount outpoured
There where the blood of the Lamb was spilt

CHORUS:

Grace, grace, God's grace
Grace that will pardon and cleanse within
Grace, grace, God's grace
Grace that is greater than all our sin

2. Sin and despair like the sea waves cold
Threaten the soul with infinite loss
Grace that is greater yes grace untold
Points to the refuge, the mighty cross

3. Dark is the stain that we cannot hide
What can avail to wash it away?
Look! There is flowing a crimson tide
Whiter than snow you may be today

4. Marvelous, infinite, matchless grace
Freely bestowed on all who believe
You that are longing to see His face
Will you this moment His grace receive?
