## DON'T ACT LIKE AN ELEPHANT!

In India, elephants are used for manual labour. When an elephant is small and weighs approximately 200 pounds, it is securely tied with a heavy-duty rope. In between 'jobs' the elephant tries to break through its limitation. The calf whines, tugs, and even tries to chew through the rope-but it is unable to break free.

Finally, the elephant gives up its will and accepts his circumstances. The elephant believes there is absolutely no chance to free himself and overcome his limitation. In doing so, he misses out on his defining moment.

A defining moment is the exact moment one adopts or accepts a new belief that drastically transforms their life. They accept this new belief as a new truth, regardless if it is true or not. Because the brain accepts repetition of thought and deduction as 'the truth,' the rope reigns sovereign not only in the calf's immediate environment, but in his mind as well.

With this belief deeply embedded in the elephant's mind, his handler came up with an ingenious idea to permanently dis-empower him. He realized all that was needed was to tie the four-ton animal up with extremely small ropes and he would remain tied. You see in the elephant's mind, any size rope would keep him securely confined.

Don't act like an elephant. Size up and break through the confining ropes in your mind. When you're faced with change, change your perspective. When you're overwhelmed with something new; change your view. Use affirmations, to eradicate limitations and nothing will be impossible for you!

## Hymn 1

### BE NOT DISMAYED WHAT'ER BETIDE

1. Be not dismayed what'er betides  
God will take care of you  
Beneath His wings of love abide,  
God will take care of you

#### CHORUS:

*God will take care of you  
Thro' every day o'er all the way  
He will take care of you  
God will take care of you*

2. Thro' days of toil when heart doth fail  
God will take care of you  
When dangers fierce your path assail  
God will take care of you

3. All you may need, He will provide  
God will take care of you  
Nothing you ask will be denied  
God will take care of you

4. No matter what may be the test  
God will take care of you  
Lean weary one, upon His breast  
God will take care of you

## Life Lessons

*"For everything that God desires to do in the earth, He enters into partnership with those to whom He has already given dominion." - Myles Munroe "Prayer is essentially a partnership of the redeemed child of God working hand in hand with God toward the realization of His redemptive purposes on earth." - Jack W. Hayford "Don't offer God partnership when He wants penitence. Don't present Him with lip service when He wants your life." - William Henry Houghton*

## Hymn 2

### MUST I GO AND EMPTY HANDED?

1. Must I go – and empty-handed?  
Thus my dear Redeemer meet?  
Not one day of service give Him,  
Lay no trophy at His feet?

#### CHORUS:

*Must I go – and empty-handed?  
Must I meet my Saviour so?  
Not one soul with which to greet Him?  
Must I empty-handed go?*

2. Not at death I shrink or falter,  
For my Saviour saves me now;  
But to meet Him empty-handed,  
Thought of that now clouds my brow

3. Oh, the years of sinning wasted,  
Could I but recall them now;  
I would give them to my Saviour,  
To His will I'd gladly bow

4. Up, ye saints, arouse, be earnest!  
Up and work while yet 'tis day;  
Ere the night of death o'ertake you,  
Strive for souls while yet you may
